Update/change details form

If you move, sell your car or just want to change your BMW service agent you can either visit your current BMW dealer / service partner, or by using this form, we will gladly make these amendments for you. If you have sold or permanently transferred ownership of your car, this form must be signed by the new owner.

If the car has been sold or permanently transferred to a new owner, then you must disconnect the car from your ConnectedDrive user account via the ConnectedDrive Customer Portal (www.bmw-connecteddrive.co.nz), or transfer the services to the new owner. You must also ensure that all personal data stored in the vehicle is deleted.

If the new owner wishes to take advantage of the ConnectedDrive services, he or she will need to set up a new user account on www.bmw-connecteddrive.co.nz. Once this is done, the new owner just needs to load the vehicle identification number in their newly set up account then go to the vehicle and accept the change in the vehicles iDrive to start taking advantage of these services.
